<u>Educational Activity:</u>

COLLECTION: None reported. DISPOSAL: Brochures were produced that tell folks where the landfill is and operational hours and what is accepted.

RECYCLING/REDUCTION: Brochures were produced that indicate the location of the drop off facilities, phone numbers made available to ask questions on recycling. The school system participates in recycling on a large scale. SWC visited schools to teach the importance of recycling, and updated and maintained a website for solid waste questions. OPEN DUMPING/LITTERING: Numerous articles in the local papers about the affect and possible fines associated with littering and dumping. Uniontown,Sturgis,and Morganfield all held litter or town cleanup events. Whispering Meadows subdivision conducted a first cleanup event.

ENFORCEMENT: None reported.
